Procedure:

This is a Submission Form to repair your laptop. Please fill out, print out, and send this form along with your laptop properly and adequately packed. We strongly suggest that you insure your laptop. We will not be held liable for any damage done to the laptop through shipping. Once we receive your laptop we will contact you and let you know that it's in house. We will diagnose the laptop free of charge and then send you an e-mail with the repair estimate. After you confirm the laptop for repair we will then proceed with the repair. Lastly, an invoice will be sent, then the laptop is shipped to the Return Shipping Address Above.
